

Chiropractic for Everybody (CFE) is expanding our team.

Come Join Us!

CFE is a flourishing, referral-based practice in the Twin Cities metro area that provides animal chiropractic and TCVM / acupuncture to dogs and cats. **We opened in 2008 and today we are seven doctors strong!** We are a supportive group of veterinarians and chiropractors who pull together to provide top-notch integrative care. We work with everyone from canine athletes to service animals to geriatrics. Our team has over 100 years of collective experience in these modalities. ***More than half of our doctors have been with the CFE for a decade or more!!!***

- Our Administrative Staff is second to none. They provide all the support you need so you can focus on the doing work you love.
- We have an outstanding clientele. They arrive ready to listen, follow your recommendations, and sincerely appreciate the unique skills you bring to the table to help their animals feel and function better immediately.
- Our compensation structure is generous. The more hours you give us to fill, the greater your take-home percentage.
- We know that happy doctors make happy clients! We all have lives outside of work. We expect that you do, too. We respect the work / life balance.
- We all love to learn. You will be among like-minded colleagues who are happy to discuss cases and their latest continuing education passions.

No matter where you are on this amazing journey of providing integrative care to animals, we would love to start a conversation with you!

Would you like to join a well-established team of doctors, set your own schedule and have your out-of-this-world administrative team fill it right up with great clients?

That's a yes? Well... We look forward to meeting you!
